

Important Notice

Changes to class registration process

Changes are effective with Session 5 (classes beginning the week of 9/29/2019)

1. We will no longer be keeping wait lists for full classes.
2. Cash, check or coupon reservations will be honored pending receipt of cash/check/coupon until one week PRIOR to the end of on-line reservations. At that time, any unpaid cash/check/coupon class reservations will be released and made available for on-line Pay Pal registrations.
3. Class registrations that are cancelled after the close of on-line registration will be subject to a \$30.00 cancellation fee. Bitches in heat will be fully refunded with a veterinarian's statement.
4. Walk-in registrations will be accepted on a space available basis at the first class meeting for the class. Full payment must be made by coupon, exact cash or check at the first class.
5. Dogs excused from classes by the instructor will receive a pro-rated refund of the remaining classes.
6. Classes dropped after the second week of class will not be subject to any refund.
7. Exceptions may be made at the sole discretion of the Training Directors.
