| <p>I understand that attendance at a dog training class is not without risk to myself, members of my family, guests who attend, or my dog, this is not limited to interactions with dogs specifically. Dog training is inherently risky, and animals are unpredictable and may cause injury regardless of precautions taken to prevent such injury. In the case of a junior handler, I also understand that a responsible adult will accompany and stay with the junior handler during each class. Junior handlers must demonstrate the ability to control the dog. For parents/guardians of junior handlers, your signature indicates your agreement to ensure that a responsible adult accompanies the junior handler to every class or event.</p> <p>I hereby waive and release the Truckee Meadows Dog Training Club, herein referred to as the “training organization”, its officers, members, and agents from all liability of any nature or damage resulting from the action of any dog or any person, and I expressly assume the risk of such damage or injury while attending any training session or any other function of the training organization or while on the grounds or surrounding area thereto. In consideration of and as inducement to my acceptance in the training class, I hereby agree to indemnify and hold harmless the training organization, its trainers, officers, members, and agents from any and all claims by any family member or any other person accompanying me to any training session or function of the training organization or while on the grounds or the surrounding area thereto as a result of any action by a dog including my own.</p> <p>Truckee Meadows Dog Training Club reserves the right to excuse any dog or person from the building the BOD or class trainer/assistant deems to present an unsafe or unhealthy situation. This may include, but is not limited to, an aggressive dog, an unruly handler or spectator, a handler using the equipment in an unsafe manner, a sick dog, or a dog without proper vaccination records.</p> <p>Signatures of owner or authorized agent. In the case of minor, a parent or legal guardian must sign.</p> |                                  |
